### RECORDER'S COURT.

The King of Heaven and His Father Cruelty to a Mule.

Robert Owens, for cruelty and unmercifully beating a mule, was fined \$5, the offense being fully proved. Dr. Coulson, who preferred the charge against the defendant, testified that the mule was beaten overhand with a piece of rattan.

Ida Wilson and Ida Lemon, both charged with vagrancy, were requested to pay \$5 each.

Four Long, drunk, fined \$5.

Mike Freeman, vagrant, fined \$10.

Ludwig Mahonke appeared to answer to a charge of beating and striking. A. Wias not appearing the case was dismissed.

Richard Moreno was charged with being disorderly. This defendant was the one who asserts he is the "King of Heaven," and evidently sippers from religious mania. He informed the Recorder this morning with all due gravity that the whole city was his, and that all the world was under his control. On being asked if he had any deeds to substantiate his assertions, he replied he had not done yet, but would soon, lawyer James was looking after them; lawyer John James, he further asserted was his father, although he did not reside in San Antonio now, but was away down in Alabama. The condition of Moreno's mind being clearly proved, he was sent to the county jail to await the necessary affidavit as to his mental incapacity be made.

Bob Brown, drunk, too much so to be tried, continued.

Fanny Raymond, colored, for using insulting language, dismissed.

Mary Johnson, another colored dismissed, as being an aggravated nature.

### The Use of the Knife.

A cutting affray took place last night at Villanova's saloon, on Laredo street. Two Mexicans named respectively Crestobal Davila and Encarnacion Virjan were drinking when some remarks were handed and quarreling commenced, which ultimately led to Crestobal Davila drawing a knife and cutting Virjan across the face with it, inflicting a terrible gash extending from the ear to the corner of Virjan's mouth, severing the cheek. Had it not been for the opportune appearance of officer Johnson on the scene, doubtless Davila would have inflicted other injuries on the wounded man. Davila, on Wilkies attempting to arrest him, rushed at the officer with the same weapon, but an adroit blow on the head felled the Mexican and he was carried to the bat cave. Virjan had his wound speedily dressed and is progressing favorably. From the bat cave Davila was conveyed to the county jail and will there await his trial.

### Summer Evening Supper.

The "Seven Stars of Consolidation" will give a supper at Krieb's hall to-night for the benefit of their lodge. Supper free. Admission 25 cents. There will be good music and an exhibition drill by the Excelsior Guards.

### Gilliland's Suicide.

Additional information concerning Gilliland, an account of whose deliberate suicide was published yesterday, leads to the opinion that the determination to take his own life was the result of long deliberation. He was at one time machinist in a planing mill in Kentucky, but came to Texas years ago and embarked in the shoe business, which resulted disastrously for him, he sought and obtained employment from Mrs. N. C. Thompson, of Sabinal, as overseer of her flock. He had traveled extensively and possessed great literary ability. He had numerous friends in this city and other points where he had lived in the State.

### Suicide House.

At a meeting of the committee appointed by the meeting of citizens held at the court house in San Antonio, Texas, Friday night, July 12, 1884, to solicit further subscriptions to the capital stock of the proposed "San Antonio and Arkansas Pass railroad," it was unanimously resolved that each member of said committee shall be, and is hereby authorized to receive and receipt for the first 1 per cent of the capital stock subscribed by him when said 1 cent shall have been turned over to the Chairman, Captain C. H. Merritt, who shall act as temporary Treasurer, and account for each money to the regular Treasurer, when appointed, of said railroad company when organized.

A good report in the Mountains. With good two-story house, galleries, out houses and improvements, with an abundance of spring water, together with a good paying grocery business, and parcels connected. From 26 to 300 acres of land may be had, and an excellent outside range. A good place for the right man. 7-15-11. Illinois & Yocco.

Another Suicide. Committed by any one falling to use Chen's disinfectant. For sale everywhere. 7-13-11.

No Damage. I have a large lot of fine cedar charcoal for sale. L. F. HOFFMAN, No. 208 Alamo plaza. 7-13-11.
